

LEDWASH CW-WW

COMPACT WASH FIXTURE

COLD & WARM WHITE LEDS

The CLF LEDwash CW-WW is a compact wash fixture with a unique and distinctive design. The horizontal head can be manually adjusted 60°. Combined with the 50° beam angle of the lens, the LEDwash is the perfect solution for illuminating large surfaces like walls, curtains and horizons. It is also possible to make the edge of the beam more diffused by using the included frost lens. The low and compact housing makes the fixture hardly noticeable. The fixture can be placed on the floor or mounted to truss structures by using the unique CLF quicklock system. This hanging system is easy to use and time-saving.

The CLF LEDwash contains 9 specially selected LEDs which provide cold and warm white with a CRI > 90. The powerful LEDs provide extremely high output and ensure flicker-free operation for all types of TV and camera use. Warm and cold white control between 2,800K and 6,500K and dimming can be adjusted in 3 different DMX modes or by using the on-board menu. The fixture contains both powerCON in and out and can be connected with 3-pin and 5-pin XLR.

- EXTENSIVE WHITE COLOR TEMPERATURE CONTROL (2,800K – 6,500K, CRI>90)
- CLEAR MENU STRUCTURE FOR OPERATION SETTINGS
- SOLID HOUSING, UNIQUE DESIGN
- TILT MANUALLY 60° ADJUSTABLE
- FLICKER FREE OPERATION
- POWERCON IN AND OUT

FACTSHEET

DMX channels	2, 3 or 7 channels
Beam angle	50°
Power supply	100 - 240 VAC
Power consumption	Max. 65 Watt
Cooling	Low noise fan
DMX connection	3 & 5p XLR in & out
Dimensions	480 x 140 x 105 mm (lxwxh)
Weight	3,5 Kg
Certification	CE, RoHS
Item number	156300
Included items	Power cable, Frost & Clear lens
IP rating	IP22
Optional accessories	Flightcase
